

March 1, 1976

SENATOR CHAMBERS: Senator Lewis feels he doesn't have the votes to pass this bill. It is a bill dealing with taxation. I was going to offer an amendment to that bill to raise the food tax credit from \$16 to \$18. Since the votes are not there to get that bill with all of its provisions, this amendment would become the bill and that is all that 167 would do. This amendment would replace all of 167 and its only purpose then would be to raise the food tax credit from \$16 to \$18 and that would be accomplished by stripping everything out of the bill and substituting this for it and this is what I was trying to find out but he hasn't got the votes for the bill.

PRESIDENT: The motion now is to unbracket the bill?

SENATOR CHAMBERS: Yes, for that purpose.

PRESIDENT: All right. Any further discussion on the matter of unbracketing this bill for the purpose outlined by Senator Chambers. Record your vote. Please vote on this matter. Have all of you voted who plan to vote? Record. Senator Chambers.

SENATOR CHAMBERS: I am going to ask for a Call of the House.

PRESIDENT: All right. The question is, shall the House go under Call? Record your vote. Yes, sir. It is on 167, a motion to unbracket. Have you all voted? Record.

CLERK: 13 ayes, 17 nays.

PRESIDENT: Senator Chambers.

SENATOR CHAMBERS: A roll call vote on motion to unbracket.

PRESIDENT: All right. Call the roll.

CLERK: Motion is to unbracket and consider 176 at this time. Roll call vote taken.
